## Recording Adjustments to the Budget

## **Recording Adjustments to Estimated Revenue**

When an LEA learns that its revenue will exceed the original estimate in the official budget, a new estimate of revenue is made, and the increase is recorded in both the General Ledger and the Revenue Ledger. The increase in estimated revenue is recorded as follows:

Date	Account		Debit	Credit
5-31-02	9810 9790	Estimated Revenue Undesignated/Unappropriated Fund Balance	\$1,100.00	\$1,100.00
Account		Revenue Ledger		
8346		Economic Impact Aid	\$1,100.00 Dr	
		To record revised estimate of Economic Impact	t Aid	

This entry increases the estimated revenue in the General Ledger and in the Revenue Ledger. It also increases the amount available for appropriation. (Note that the entry simply records the amount available for appropriation. Actual appropriation may be made by governing board action only, as prescribed in *Education Code* sections 42602 and 42610.)

When a revised revenue estimate indicates a decrease in the amount of estimated receipts, the decrease is recorded in a similar manner, as follows:

Date	Account		Debit	Credit	
5-31-02	9790 9810	Undesignated/Unappropriated Fund Balance Estimated Revenue	\$1,100.00	\$1,100.00	
Account		Revenue Ledger			
8346		Economic Impact Aid	\$1,10	00.00 Cr	
		To record revised estimate of Economic Impact Aid			

December 2000 210-1

## **Recording Adjustments to Appropriations**

Except when a revised appropriation budget has been adopted, adjustments involving changes in current appropriations will have no net effect on the General Ledger's balances. The changes will affect only the Appropriation Ledger because the total amount appropriated is not changed but is simply redistributed among the appropriations accounts.

Date	Account		Debit	Credit
10-30-01	9820 9820	Appropriations Appropriations	\$500.00	\$500.00
Account		Appropriation Ledger		
6400 6500		Equipment Equipment Replacement	*	.00 Dr .00 Cr
		To record appropriations transfers adopted on 10-30-92		

210-2 December 2000
